REGISTRATION

Open Enrollment begins July 17th via the Parent Portal on our website. Pre-registration for returning students begins on July 10th. Questions regarding registration and tuition? Reach out via email or phone listed below!

Please note, all pointe dancers are required to take at least two ballet classes per week.

Our classes run for a full 32-week season, September to June, and include an end of year recital. The last day to join our regular season or drop a class is December 1st, assuming space is available. You must notify us before December 1st if you wish to unenroll for the Spring Semester. All students are expected to perform in the annual recital! You must also notify us by December 1st if you will not be performing in the recital in order to avoid paying the costume fee.

NEW THIS YEAR - BOYS BALLET

Dancers will explore their athleticism and release their energy in a FUN and supportive dance studio environment! Students will learn jumps and turns that are specific to male dancers. They will see demonstrations of partnering roles as well as male soloists.
