REGISTRATION

Open Enrollment begins June 24th via the Portal. Pre-registration for returning students begins on June 17th. Questions regarding registration and tuition? Reach out via email or phone listed below!

Please note, all pointe dancers are required to take at least two ballet technique classes per week. Pointe only classes do not qualify and are supplemental.

Our classes run from September to May and include an end of the year recital. The last day to join our regular season or to drop a class is December 8th, assuming space is available. You must notify us before December 8th if you wish to unenroll from the Spring Semester. All students are expected to perform in the annual recital. You must also notify us by December 8th if you will not be performing in the recital!

NEW THIS YEAR

- We have added a fourth studio, The Diamond Studio! So we are now able to offer more day and time options for our most popular classes!
- Hippity Hoppity Mini Session
- Pre-pointe (for Ballet V dancers not yet approved for pointe)
- Basic Tap
